

## Rouse Hill Anglican Collegians

Yesterday my first guide dog puppy, Yorric, graduated! He is starting his training with his new client on Monday in the Blue Mountains.

I would like to thank Rouse Hill Anglican College again for the support and encouragement of my work with Guide Dogs NSW and the donation that contributed to the training of Yorric through the Collegian of the Year Award. Your support to this valuable community service has provided somebody with a life changing gift.

Claudia Laws (2016)
